

Closings for Kempe

Join the movement to end child abuse and neglect in our community.

Make a donation to Kempe for each closing you complete. This is an opportunity for real estate brokers, lenders and service providers such as insurance agents, inspectors and vendors.

[Visit our Closings for Kempe Donation Page now!](#)

WHY? EVERY child should have the opportunity to develop and grow in a safe, healthy and nurturing environment. With your donations, we get closer to making that happen.

Your support provides resources to support experts in the field of child abuse and neglect to expand the safety net for children and their families.

Kempe is a 501c3 organization, so contributions made through the Closings for Kempe program are charitable donations eligible for a tax deduction.

Your name will be included on the Closings for Kempe web page recognizing your support of Kempe.

HOW? It takes just 5 minutes once a month.

- At the end of each month enter your donation amount, and if you choose, fill in the “in honor of”.
- At the end of the year, Kempe will send you a donation receipt for tax purposes.
