

# Uniting COMMUNITIES FOR KIDS

UNITING COMMUNITIES FOR KIDS BRINGS TOGETHER PEOPLE AND ORGANIZATIONS DEDICATED TO PROVIDING RESOURCES, TRAINING, AND RESEARCH SO THAT ALL CHILDREN HAVE THE OPPORTUNITY TO DEVELOP AND GROW IN A SAFE, HEALTHY AND NURTURING ENVIRONMENT.

Each quarter we will partner with a local nonprofit to share information on various traumas that impact a child's healthy development with the goal of informing and educating to make a difference in the lives of children and families.
